New Home for NeighborWorks® HomeOwnership Center

NeighborWorks® HomeOwnership Center is finally on its way to becoming a homeowner itself! Progress of our new building can be seen by driving by the lot at the Southwest corner of Alhambra Boulevard and "X" Street or by stopping by the office to see our scrapbook. The new building will allow the counselors, staff and Board members to work as efficiently as possible to help future homeowners achieve success. We'll move into our new space after the new year. Learn more about the Capital Campaign on the [Web site](#) or by contacting Cathie Bradley at (916) 988-3504.

Paint the Town

Our annual Paint the Town event was on September 16. NeighborWorks® HomeOwnership Center teamed up with corporate sponsors to have dozens of volunteers work together to improve the curb appeal of members of their community. View more pictures in the [Web site Photo Gallery](#).

"Having my home painted brought me and my family a lot of happiness. You did a great job. Thank you so much." -- Diego Matias

Hand in Hand Toy Drive

Partnering with TNT Fireworks, the NeighborWorks® HomeOwnership Center staff finds Oak Park families in need during the holiday season. Last year, approximately 70 families were given toys, wrapping paper, ornaments and sundries.

Providing opportunities for successful homeownership and strong communities through quality education, affordable lending, supportive partnerships and dedicated leadership.

End of the Year Donations

Demand for our services continues to grow! Your tax-deductible contribution will help ensure that we can meet demand and provide essential programs that benefit our community. Your donation will go towards home ownership and financial fitness education, meeting space in our new building, and outreach events such as Paint the Town. Each of these programs has an impact on an individual level. Please join us and help make the “American Dream” a reality for residents in the Sacramento Region!
