Dear Neighbor,

On Saturday, September 17, NeighborWorks® Sacramento will be holding a fun, special event in your neighborhood as part of our annual community event called “Paint the Town.”

What is “Paint the Town”?

Teams of volunteers from local businesses will be doing different types of clean-ups, touch-ups, and other improvements of participating homes at **no cost to the homeowner**. We will end the day of the event with a fun block party! This year NeighborWorks® will again partner with Home Depot as well as with other businesses from the Sacramento area to work with you to outline the projects and to coordinate teams of volunteers.

How do I participate?

This event depends a lot on community participation. Whether you are a homeowner or renter, if you are interested in minor home improvements, there are many ways you can be involved (helping with the improvements on your home and/or your neighbors’ homes, cheering on the volunteers, helping with the barbecue, learning about how to set up a neighborhood watch after the event). Let us know if you would like to participate in this unique event!

Types of projects we can do for your home

- Exterior paint
- Landscaping
- Home repairs
- Fence repair
